Christ's peace be with you,

We are continuing to worship and lead you in our services through a live format every Sunday morning. We do leave the call open for a while after the service for everyone to see each other and have a little visit, coffee after the service if you will. We will continue to post a recording of our service on YouTube for you to watch at any time. The links can always be found on our Facebook page as well.

Our church doors remain closed with access to the building being available by appointment only. Rev. Billy is still very much available for those in need of pastoral care, he can be contacted using any of the following methods:

Messy Church News

We have uploaded another Messy Church lesson to the Church website. This time we have a theme of "Hearts and Courage: Take Heart Everyone!"

We have some exciting activities for you this month! We have indoor and outdoor valentine crafts for you to do in honor of this past family day weekend. We also have a great Lenten calendar for you to print off and use over the next month or so (find it in the 'Challenge' section). And we have music - courtesy of Ian Bowden! Check it out! Here is the direct link:

We hope to hear back from you about how Messy Church at home is working for you. If you send us pictures of your art, we will publish them on the website!

Sincerely, Brenda and Jennifer and the whole Messy church team.

L'il Disciples News

L'il Disciples is back! Every Sunday at 9am a video will be posted for the kids. It's been a long time since Rev. Billy could meet with the children of the parish prior to the Sunday morning service and he misses that time so is taking it online too!

He and his lovely assistant Alison have prepared a brief but informative video on Ash Wednesday. You can access the video here:
