Our very own artist Marion Coates has once again graciously agreed to teach us how to paint our very own masterpieces! That's right, we're having another paint party on Sunday, December 10th at 1pm in the church hall! For a \$25 fee you will get to take home your own winter scene!

A paint party (or a "social painting event") is an opportunity for you to have a social outing with your friends while creating a painting from start to finish. It's a super laid back atmosphere where Marion will basically teach you step by step how to create a painting and you get to take the painting home with you when you are done. People of any age or skill level can join. It's a great way for people to unleash their creativity in a safe and supportive way while enjoying the experience alongside friends and loved ones.

If you or an immediate family member have a birthday between November 6th - 18th please do add to our birthday list found near the front door of the church!
