May 13th, 2024

As was announced yesterday, last year an insurance inspection was done on our building and grounds. One sad thing that came up was our cedars. Unfortunately the report said we can't have them growing against our building. This week the arborist who removed the dead spruce out front for us will be coming with a team to cut them down and haul them away. Bill Curtis was thoughtful enough to take a picture so all can have one last look at them before they're gone. Thanks Bill!

If you or an immediate family member have a birthday between May 12th - May 25th, please do add to our birthday list found near the front door of the church!

### ***Bouquets of Thanks!***

A tremendous thank you to all who came out and supported the sales on Saturday! We had tremendous volunteers helping out from start to finish, amazing people advertising and participating, and lots of people buying! Even though the unexpected smoke kept a lot of people away, the day was a great one! Thanks again to Bill Curtis for taking photos before the busy times started!
